The Taylor Times
The Millennial Reunion of the George Washington Taylor Family
August 4-6, 2000 *Tyler, Texas

Hello family! It's great to see everyone who has been privileged to attend this year's reunion. We're are expecting it to be the best attended ever. Kinfolk far away as California and Missouri are blessed to be with us again this year. For some, this will be their very first Taylor reunion. It's amazing to see how our family members have increased since our 1995 reunion (yes it's been five years since the last one!) We're blessed to have many new births to report, college and high school graduates, marriages, and much more. God has shown His goodness to us in so many ways. Hope we can get to know one another a little better and get to know a relative you didn't know before and just enjoy one another in fellowship.
